

REGIONAL UPDATE

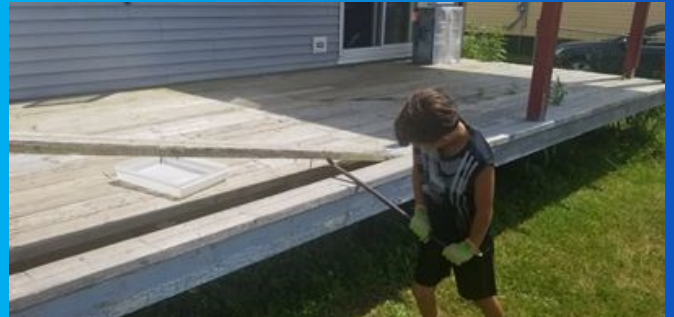

Tri-County
Regional Centre for Education

From the TCRCE Regional Executive Director of Education

We're going to miss seeing these faces on our screens! It's been so fun getting a glimpse into what our students are doing at home. Wishing everyone a happy and safe summer.

**MESSAGE FROM
THE REGIONAL
EXECUTIVE
DIRECTOR**

Hello, everyone. It is hard to believe we have already come to June. The last few months have been, without question, something we have not experienced in the past. I truly appreciate all of the work students and families have put into the at home learning phase resulting from the pandemic. To all students, parents/guardians, family members, and supporters who have been doing their best to make learning happen at home, thank you. Formal learning has now wrapped up for the 2019-20 school year, and TCRCE staff are now in the process of preparing end of year reports for students.

I wish to send out a special congratulation to our graduating students in TCRCE. High school graduation is a significant milestone for students, as well as their family and friends who have supported them along the way. We know students and families have been looking forward to celebrating graduation, and this year's events will be different than anticipated. TCRCE high school staff are working with students and their families to organize meaningful ways to celebrate our grads and their accomplishments. Schools have been communicating directly with students and their families about how graduates will be celebrated and receive their diploma.

Although we do not yet know what school may look like after the summer, please know that TCRCE will continue moving forward and working together with you for student success, wherever and however learning occurs. We will keep in touch with you as we know more. Until then, best wishes for a safe, healthy and relaxing summer.

Dr. Chris Boulter
Regional Executive Director of Education
Tri-County Regional Centre for Education
79 Water Street Yarmouth, NS B5A 1L4

TCRCE staff Brian Fells and Martin Morrison both spoke at the Black Lives Matter march in Digby on June 11th.

Thank You

Merci

NOVA SCOTIA
NOUVELLE-ÉCOSSE

We'd like to thank students and families for their commitment to learning from home. We know it has not been easy continuing your studies during the pandemic.

Teachers continue to work until the end of June to finish assessments and other tasks. We thank them, and all education workers and unions, for supporting students and families in many ways at an unprecedented time.
