Dear Student:

As Minister of Education and Early Childhood Development (EECD), I am committed to understanding the interests, priorities, and concerns of Nova Scotia's students. The Minister's Student Advisory Council on Well-Being and Achievement (MSAC) is one way I strive to achieve this goal by gathering information, advice, and recommendations with respect to new and existing provincial education policies, services, and programs directly from students.

If you are a student in grades 10-12, I invite you to partake in this leadership opportunity ([MSAC Expression of Interest Form 2023-2024 \(google.com\)](#)).

This Expressions of Interest should be submitted no later than **November 20, 2023**. All applications will be reviewed to ensure that there is representation and diverse provincial participation on the MSAC. All applicants will be notified directly by email as to the results of this process in November.

For the 2023-2024 school year, the MSAC will meet a minimum of two times per year with potential additional meetings as needed.

Please direct any questions you have, via email to [leigh.daniels@novascotia.ca](mailto:leigh.daniels@novascotia.ca).

Sincerely,

A handwritten signature in blue ink, appearing to read "Becky Druhan".
